A JOINT DECLARATION TO THE INSTRUCTORS AND MEMBERS OF THE SOUTH ATLANTIC KARATE ASSOCIATION, THE ALL-SOUTH KARATE FEDERATION, AND THE WESTERN STATES KARATE ASSOCIATION

During the second week of March, we were informed by the ISKF headquarters in Philadelphia that the ISKF had decided to pursue an independent path from JKA as of June of 2007. We, the undersigned, who comprise three of the five founding members of the ISKF, believe that our greatest strength has come from our close association with each other and our affiliations with and through the JKA.

Accordingly, we believe continued membership in the JKA is in the best interest of our clubs, our students, and our regions. Therefore, we the undersigned, after consultation with our respective regional clubs, have decided to remain members of the JKA and JKA/WF.

RESPECTFULLY,

Mr. Takayuki Mikami, JKA

Mr. Shojiro Koyama, JKA

Mr. Shigeru Takashina, JKA
